Hon'ble P.C. Verma, A.C.J.

The petitioner was transferred by order-dated 4.12.2002 passed by respondent no.1. It appears that as the petitioner was transferred in the mid session the State Government stayed his transfer. Thereafter the petitioner was transferred vide order dated 26.05.2003 in annual transfer chain. The transfer is an exigency of service. The petitioner was transferred in the public interest; therefore, no interference is called for in the matter.

The writ petition is accordingly dismissed.
